## How to access

To choose the navigation language, all you need to do is select it from the menu bar.

If you do not have access credentials, you need to register, by clicking on «create an account» on the homepage of the platform.

### Is this your first time here?

Hi! For full access to courses you'll need to take a minute to create a new account for yourself on this web site. Each of the individual courses may also have a one-time "enrolment key", which you won't need until later. Here are the steps:

1. Fill out the New Account form with your details.
2. An email will be immediately sent to your email address.
3. Read your email, and click on the web link it contains.
4. Your account will be confirmed and you will be logged in.
5. Now, select the course you want to participate in.
6. If you are prompted for an "enrolment key" - use the one that your teacher has given you. This will "enroll" you in the course.
7. You can now access the full course. From now on you will only need to enter your personal username and password (in the form on this page) to log in and access any course you have enrolled in.

After you have clicked on «create an account» you need to follow the registration procedure, available in all partnership languages.

## How to access

After having logged in with the credentials you have or those you have created, you need to click on the «entra» tab of the «Progetti Internazionali» course category in the homepage of the platform.

Then click on «FABULA - Financial And Business Learning Activities».

## How to access

At this point you can choose, on the basis of authorization provided, the products in one or more partnership languages.
